TOMORROW'S GOD: OUR GREATEST SPIRITUAL CHALLENGE

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Tomorrow's God: Our Greatest Spiritual Challenge, Neale Donald Walsch, The way the human race acts now will shape - or break - all our futures. Neale Donald Walsch's dialogue with God continues, with a look forward to the New Spirituality that we all need to embrace right now - and how exactly we can apply this new way of thought to our lives. Humankind persists in believing that we are simply immune to self-destruction. In fact our behaviour threatens the whole of life as we know it. This challenging new book asks us to change the way we think about our faith and question our very beliefs, and shows us how we can do this within the framework of our everyday lives. This new spirituality will have an impact on the way we think about areas from TV and other mass media, to fashion, health and diet, and parenting and social mores. This book addresses age-old taboos, the mysteries of life, and ingrained ways of behaving, and provides us with the tools we need to redirect ourselves onto a new and infinitely better path. Powerful, inspiring and sometimes controversial, this book will help us to think again about all that we believe in, and to change our world for the better through changing our beliefs.
