Barron's Educational Series. Paperback / softback. Book Condition: new. BRAND NEW, Stranger in the Snow/L'Etranger Dans La Neige, Lynne Benton, Ollie Cuthbertson, Marie-Therese Bougard, This new title in the illustrated "Let's Read!" language-learning series is a real page-turner! It's written in a bilingual French and English format, which encourages boys and girls who are independent readers in their own language to begin learning a second language. All "Let's Read" books present original stories of action and adventure geared to young readers' interests. Meanwhile, kids begin to learn a new language, compare it with their own, and start out on a path toward bilingual fluency. As they read, children discover that they don't need to learn every single new word that they encounter in the second language. As unfamiliar words appear and reappear in the story as context, they will pick up meanings effortlessly, just as they pick up and understand new words in their own language. The parallel text, illustrations, and dialogue balloons on every page give kids a child-friendly bridge to reading and speaking in a second language. "Let's Read" books are available in both French/English and Spanish/English editions.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
