Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Socialism and Individualism Nor do the Socialists offer us a static heaven to be substituted for an equally static world here present. English students of the last generation were accustomed to think of Socialism as a mere Utopia, spun from the humanity-intoxicated brains of various Frenchmen of the beginning of the nineteenth century. Down to the present generation every aspirant after social reform, whether Socialist or Individualist, naturally embodied his ideas in a detailed plan of a new social order, from which all contemporary evils were eliminated. Bellamy is but a belated Cabet, Babceuf, or Campanella. But modern Socialists have learnt the lesson of evolution better than their opponents, and it cannot be too often repeated that Socialism, to Socialists, is not a Utopia which they have invented, but a principle of social organization which they assert to have been discovered by the patient investigators into sociology, whose labours have distinguished the present century. That principle, whether true or false, has, during a whole generation, met with an ever-increasing, though often unconscious, acceptance by political administrators. I Thus it is the constant flux of things which underlies all the difficulties of Individualism. Whatever we may think of the existing social order, one thing is certain - namely, that it will undergo modification in the future as certainly and steadily as in the past. Those modifications will be partly the result of forces not consciously initiated or directed by human will. Partly, however, the modifications will be the results, either intended or unintended, of deliberate attempts to readjust the social environment to suit man's real or fancied needs. It is therefore not a question of...
