This item is printed on demand - Print on Demand Neuware - Essay from the year 2011 in the subject Tourism, printed single-sided, grade: Merit, Bournemouth University, language: English, abstract: There are different impacts that the development of tourism has on a destination, for instance, natural or environmental, economical, political or socio-cultural. The environment is one of the most important issues for the development and promotion of a tourist destination, and also the most fragile (Franco and Garcia, 1999). Due to the huge influx of tourists known as mass tourism, the impacts of the development can be positive and negative. Positive economic impacts are the improvement of infrastructure and the attraction of more investment in the area; negative the increase of prices and of income inequality. Positive socio-cultural impacts enhance the increase of cultural exchange and restoration of buildings; negative socio-cultural like immigration and assumption of the stereotypes of tourists; and finally, negative environmental impacts like noise, pollution, destruction of the natural environment, huge buildings in natural areas, overuse of water, problems with the treatment of wastes, water pollution by liquid waste, destruction of historical monuments, air pollution from the use of vehicles and heating, changes in the landscape to...
