THE BOOK OF POOEMS

Dog Ear Publishing, United States, 2011. Paperback. Book Condition: New. Leonardoo Doo Pinci (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A descendant from the bowels of literary history, Forrest Dump cuts an unlikely, though charismatic figure in the realm of restroom reading. From a life given to morning runs and blissful frivolity, Dump has done what few others can lay claim to, reinventing himself as a plum and prodigious provider of preposterous prose to angst-ridden readers with an appetite for his style of commode worshipping humor. It is fair to say that with this celebrated first work, Dump is creating a movement of historic proportions, redefining the genre of scatological satire. In this volume, Dump plumbs the depths of human exertion laying waste to every corner of modern social sanctimony from personal hygiene to politics, while preserving the time-honored custom of just letting go. In an astonishing display of sophomoric irreverence Dump has marked his territory amidst the ranks and rancor of humor that skirts the comedic margins! The Book of Pooems is no WIPE OUT! If you are one who is given to restroom reading this book is sure to be a fine addition to your bathroom library. In an uproarious volume, Forrest Dump has left no doubt of his dedication to the institution of potty time. There is a sense when leafing through this book that you are reaching into the very soul of the author (which requires only very short arms), and what you come away with is a sense that he has spent countless hours trying to find ways to make one of life s most complete and satisfying pleasures a little more satisfying and pleasurable. From the very first page, the composition of this book is complete....
