By Catherine Kulikov

Essential Resources Ltd, New Zealand, 2012. Paperback. Book Condition: New. 297 x 205 mm. Language: English . Brand New Book ***** Print on Demand *****.It is a fact of educational life that the sole class teacher cannot work with every student at all times. So it can be somewhat daunting to be faced with the task of teaching to each student's needs, especially in composite classes containing more than one year level. This resource makes the task manageable. It breaks down the process of teaching a differentiated classroom into achievable steps that will benefit your students learning. It also offers a range of tools to help with planning and assessment (including sample lesson plans and learning lines), as well as with creating a learning environment to suit each of your students. The result: quality lessons and assessments that give you a comprehensive view of your students current learning and the direction in which they need to be heading.
