Language: English Brand New Book ***** Print on Demand *****.Excerpt from History and Legend, Fact, Fancy and Romance of the Old Mine Road: Kingston, N. To the Mine Holes of Pahaquarry Like the butterfly on the flower-strewn plain, the traveler on foot can laugh at fences or ditches and flit from interest to interest, taking no thought for the highway. Be it a panorama from some hilltop or an old family burial ground in the remote corner of a pasture lot, it is but the storming of a few rails or a bit of barbed wire and a brief walk amid the field flowers, or between rows of growing corn. Hence no excuse is offered for taking this trip on foot; rather do we commend ourselves for having selected the best method of travel for the purpose. It is quite out of the question for the ordinary pen to adequately depict or praise the beauties of such a region as is traversed by our Old Mine Road. A region of mountains and valleys, brooks and waterfalls, country that yields a rich return to the farmer or that is still wild with heaped rock masses, all embroidered with exquisite patterns of mountain and stream and meadowland. All this aside from the richness of its history, its legend and romance. To be one with such pleasures for a week or more, with no care but to sip from the next cup when the present has sated, to make the few gracious friendships that are part of the experience, to carry home for the long Winter evenings the memory of it all, makes the traveler feel that he has been favored of the gods and has much to be thankful...
