Date :2008-08. In the present, the college entrance examination in English exam, students fill in the blank at the individual, cloze, and other kinds of questions on the written expression of the high rate of loss of points, reflecting the many students lack a solid vocabulary and grammar, vocabulary and grammar is not strong and skilled ability to use while in use Curriculum materials in the process, most teachers and students generally feel a heavy burden of learning vocabulary, grammar, learning is not systematic. The reason the one hand, new curriculum materials for a significant increase in vocabulary and learn the vocabulary used and context of the theme of the design ideas, although this design is conducive to classroom teaching so that students learn vocabulary no longer feel boring, but making materials in the complex word is the rate of decline than the previous materials; the other hand, New Curriculum materials used discovery grammar teaching, teaching materials, compared with the previous, more simple grammar explanations, exercises a more direct answer, but the design of the exercises in the level of flexibility, difficulty in, and, the entrance there are some questions distance, students fail to get through these articles and practice examinations effective training, so teachers generally feel that they have no grasp at the request of the new curriculum, now in English exam has been turned by the ability of conception conception of knowledge, but knowledge of the language in the papers status, role in language learning is still very important and irreplaceable, teachers in teaching should not neglect the slightest, so the majority of teachers and students for use...
