*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe. (Derick Brekke)*

A L Y SIS OF SOME OF THE Principal Mineral Waters o F F R A N C EVERY body the least conversant with phisical writers must know that many and noted cures have been performed at all times, and in all places, by mineral waters: there is no one medicine in all the materia medica, that has in all ages of phisic been found so generally effectual, or has so universally supported its credit, in the removal of the most rebellious maladies as those native draughts, prepared in the bowels of the earth, with which bountiful Nature has, with a liberal hand supplied all the different regions of this habitable earth; and though probably chance had herein, as well as in many other instances, the greatest share in the first discovery of those healing springs, and tho their success in numberless instances has been abundantly confirmed by the experience of many ages, yet it might still be both advantageous and necessary to inR r 2 vest i gate vcstigate their native principles, the better to regulate their use, and distinguish the cases, wherein they might with greater prospect of success be recommended, by which means their use may be further extended, to the removal of several chronic cases, they were never yet employed in. The Royal Academy was so sensible of this, that soon after their first establishment, they directed analysis s to be made of the principal mineral...
