Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

THE HAPLESS TEACHER'S HANDBOOK

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, The Hapless Teacher's Handbook, Phil Ball, When Phil Ball left university with a workmanlike English degree to his name and no discernible ambitions, he wasn't entirely sure what to do next. So like many before him he thought he'd giving teaching a go. Why not? This is the comic story of one man's painfully slow metamorphosis into a teacher at an everyday comprehensive and his encounters with other remarkable teachers and pupils along the way. The good, the bad, the violent, the victimised and the clinically insane: from his first teaching practice nemesis, Alan Plant, who knows his dark secret, to the pupil who believes he is a reincarnation of the poet Andrew Marvell. It is a tale of the highs and lows of attempting to teach: from the joy of really making a difference to young minds to being physically set upon by a teenage horde. And that's just what happens in the classroom. Beyond it is the real world of teachers behind staff-room doors: desperate lives, unseemly professional competition, a diet of cigarettes, alcohol and cold coffee, casual sex and general social dysfunction. Not a great example, but the truth.
