Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Go BACK TO BOOKMAN with GONE WILD, the second novel in USA TODAY BESTSELLING AUTHOR Dakota Madisons LOVE IN MIDLIFE coming-of-middle-age romantic comedy series.Tenured English professor Bly Daniels believes the short walk from her campus office to the university library is too much exposure to the harsh elements of the outdoors. She would prefer to spend her days (and nights) comfortably seated indoors reading classic literature.When Bly is arrested for reading one of the great books while driving home, a judge sentences her to thirty days of community service with The Wild Way, a therapeutic wilderness program for troubled teens.There she meets Turner Wild, the owner and operate of the wilderness program. Turner is everything Bly despises: rugged, unrefined and outdoorsy. For Bly a trip to hell sounds more desirable than spending an entire month with Turner and his band of hooligans as they traverse the woods of rural northwest New Jersey communing with nature.Bly certainly never expects to form a bond with the troubled teens shes been assigned to mentor and forge an unlikely relationship with their fearless leader, Turner Wild.Each full-length novel in Dakota Madisons LOVE IN MIDLIFE romantic comedy series can be read as a stand-alone or as part of the series. Each story features one of the graduates of Bookman College attending the 25th reunion.
