Brand New Book ***** Print on Demand *****.The path to success has become complicated for the next generation. This past decade has brought many changes, which impact our route to success. Globalization, offshoring, outsourcing and the world wide financial crisis all play a role. Add in a complex array of future trends and you become quickly aware how hard it is to know what to tell our children and ourselves about the route to success. The target audience of this book are the busy moms and dads who want a bottom line summary of the situation and some help sorting out how to put their kids on the right track. It has a lot of classic success advice to go along with the various summaries of past and future trends. It is a quick read that you do not want to miss out on. It will give you a firm foundation to begin a dialogue and plan for success. Success is a moving target. Have you ever wondered what to tell your kids about the world today? With all of the forces impacting us, understanding the situation is a bit complicated. Things like globalization, outsourcing, offshoring, the financial crisis, dire future trends, and managing personal finance all impact your plan for success. Are you worried that the world is going to heck in the preverbal hand basket. Now with this book, you have a definitive go to resource - the bottom line on success, presented in an easy to understand summary. The good news is that in many cases, things are not as bad as you might think. The bad news is that for a few future trends, things are worse than you ever imaged....
