

The Lilas of the Sons of Shiva

By Vanamali

Aryan Books International, New Delhi, India, 2008. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. This is a captivating book for all those who are interested in knowing the esoteric secrets of Hindu gods. Shiva and his sons are all aspects of the great electromagnetic forces that control life. Shiva is the source of all energies. He is the nuclear energy underlying the subatomic particles. At the very core of matter Shiva whirls in his cosmic dance as Nataraja. Ganesha is the god of gravity which is the base of all ordinary existence. Kartikeya is the power of the electromagnetic field. His spear signifies the elemental forces of thunder and lightning. Ayyappa is the force of love as the supreme power which is capable of uniting humanity. Ganesha symbolises the idea of the emergence of life from earth and the unfolding of consciousness from matter. His dual form of animal and human indicates a sublime theme, which points out to us that we too can aspire to a supramental level even though we have evolved from the animal. The stories of Ganesha, Kartikeya and Shasta are all part of Puranic literature and they cater to the multifaceted intellect...
