Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The writers of American short stories, the best short stories in the world, surpass in nothing so much as in their handling of those filmy textures which clothe the vague shapes of the borderland between experience and illusion. This is perhaps because our people, who seem to live only in the most tangible things of material existence, really live more in the spirit than any other.
