Brand New Book ***** Print on Demand *****.The narrator of Lot s Wife wants only one thing--to understand her life. That s a fearsome ambition for anyone, and for most it s one that cannot be navigated without rationalization, avoidance, and denial. Not so for her. With searing honesty and wry humor, she re-lives her most challenging and pivotal experiences, believing that by doing so she will find the understanding she seeks. Set in urban Los Angeles, a foreign country to this family of displaced Southerners, and spanning 30 years, beginning in the late 1950 s, This episodic play touches all aspects human experience, from the heights of hope and love to the depths of grief and loss. It is a story for everyone.
