THE SINGLE MALE PARENT S COOKBOO

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When my son and daughter were four and six, I began raising them alone. Many fun stories. I also became the mother and did all the cleaning, and cooking. Some of the best times of my life and hence the title of the book. My wife kept pushing me to write the stories I always tell people and my first short story, Charge It, won a contest. I continued and have completed 54 short stories with a hundred and fifty more in the works. The Single Male Parents Cookbook, is a delightful combination of food and humor, two subjects everyone will enjoy. As a single parent I raised my children from the time they were four and six, and soon became an expert in the kitchen. My cooking must have been good because both are adults now and still alive, which only attests to culinary skills . . . or luck! The Single Male Parents Cookbook combines recipes with humorous anecdotes of things that did and didn t work in the kitchen (and in my life!). Each recipe is followed with a short story of me as a child or that of my son and daughter. There are some fun cooking ideas along with some that were not so good, and even a few you don t ever want to try at home! Everything from my Friday Night Special to the crazy Motel Doggy (the electric hotdog). Each recipe is followed by a short story about my childhood antics or raising my children. Not everything always ran smoothly. There was that time my boiled eggs blew up all over the ceiling. Oh, and that grease fire. Don t...
