A must read! - Jo Greene This book is all about me and my experience of getting onto a Graduate scheme for a global financial company. It takes a very light hearted look at my journey. It should help you. I say should. It might not. Who knows? It s worth a read though because it will probably make you laugh. Although that is not a guarantee. It might be a valuable aid for anyone contemplating a graduate scheme although I must point out again that this book takes more of a light hearted look at the graduate selection process. Still, it might come in handy for a little bit more. Don t be shocked by the swearing in this book. There are no proper C-bombs dropped so forget sending me complaint letters or giving me crap reviews (I WILL find you). Having a good swear vocabulary will help you in the world of work, when you are surrounded by grown ups despairing at their...
