Balboa Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Jane Kramer came into this world as a free spirited Irish Gemini. Her Celtic background nurtured her intuition and outlook on life. Her desire to help teenagers led her into the field of guidance counseling. Here as with most things, she followed her heart rather than rules. It was the same way she lived her life. An uncle once told Jane she was an example of what the Irish called having The Sight. She believes extraordinary and unbelievable life events occurred in her life to teach her the most profound of life s lessons. Her hope is that her story may encourage others to connect with their inner knowing, empowerment, and inner peace. Jane extends her deepest gratitude to her co-author, Stefanie Angstadt, who helped to bring her story to life. Jane has reinforced my belief in healing oneself, losing fear (the worst of the lot), and allowing the body to know the right thing to do when an illness strikes, whether it be physical, emotional, or mental. -- Janet Malone.
