JESSICA KINGSLEY PUBLISHERS, United Kingdom, 1993. Paperback. Book Condition: New. 235 x 156 mm. Language: English . Brand New Book. A number are available but none that I know is as comprehensive as Alcohol Problems: Talking with Drinkers. This book can be used either to complement an alcohol counselling course or as a guide providing the experienced counsellor with a basic understanding of problem drinking. Anyone in the helping professions, or with an interest in alcohol issues, can pick the book up and find something useful in it. - Counselling Useful for both professionals responsible for helping or educating and for those who wish to embark on the counselling of alcohol abusers as well as for drinkers and their families. - Journal of the Inst of Health Education In addition to clarity of conversational content, the authors choice of content topics is extremely well-conceived. The authors present an overview of problems related to excessive consumption...
