Just starting out in psychiatry, Dr. H approaches his client's determination to starve herself to death with all the tools his profession provides: medication, therapy, hospitalizations, and even, when truly desperate, electroconvulsive therapy. But nothing works. Discouraged by Lori's continuous decline and overwhelmed by his growing practice, he decides to shake things up in his own life by enrolling in a stand-up comedy class. With the door to his creativity and humor now open, he surprises himself with fresh treatment ideas that just might startle Lori out of her deepening depression. When he finally hears Lori repeat the words, I have a beautiful soul, Dr. H recognizes that healing doesn't always follow protocol and that it requires the courage of not only the patient, but also the doctor. A fictionalized account of a real-life journey from fear to love written by Dr. Howard E. Richmond, The Healing Field is an encouraging read...
