Over the centuries the movement was away from many small units to larger kingdoms controlling greater populations. The first kings were pagan and when Christianity became established the Christian kings kept many of the characteristics of their pagan forebears. The Christian kings continued to be primarily military leaders. A cult of martyrs arose in Anglo-Saxon England which included Christian kings who had died either in battle or in defence of Christianity. Other royal saints followed a different path to sainthood by leading exemplary Christian lives. Many saints' lives composed in Latin circulated in Anglo-Saxon England but it was the monk and author Ælfric of Eynsham who translated a collection of saints' lives into Old English. In particular this paper will deal with the lives of St Edmund and St Oswald. After a brief introduction to the lives of these...
