Over the past year, Regin has come to ignore her and the other novices treat her with a grudging respect. But she can never forget what she witnessed in High Lord Akkarin's underground room, or his warning that Kyralia's ancient enemy is watching the Guild closely. Her old friend Cery now has an influential position among the Thieves, and good connections in high and low places. When an exotic stranger offers to help him with a secret task, Cery knows he should refuse, but then .
